

Dear Friend,

There is a primary election on **September 6<sup>th</sup>** that is of utmost importance to you and Delaware. I do not often choose to make an endorsement in a primary election, but sometimes a candidate stands out from the rest and earns my recognition and support. An individual of impeccable integrity, experience, and intelligence best describes **Kathleen Davies**. I am proud to endorse **Ms. Kathleen Davies** as the Democratic candidate for the office of State Auditor.

**Ms. Davies** stands above the others in my opinion and will administer the affairs and responsibilities of the Auditor's office with an exceptional consideration for fairness and honesty. **Kathleen** has more than 25 years of experience in state auditing including six years as the second-in-command at the Office of Auditor of Accounts. **Kathleen** has the expertise to perform critical independent investigation of state funded programs. She will work to identify recommendations for process improvements, to support quality education, and to advance public health and human services. **Ms. Davies** has the qualifications, experience, and commitment to providing transparent public reporting and fiscal accountability.

**Kathleen Davies** is the person you, your family, and the taxpayers of Delaware deserve to have watching over their interests.

I ask you to vote in the **September 6<sup>th</sup> primary for Kathleen Davies**.

Respectfully,

Representative John Kowalko
